Sports

The 1978 Story

Pearl River College's Wildcats have their backs to the wall and everything boils down to only one game.

The outcome has nothing to do with winning the south division of the Mississippi Junior College Conference and certainly no national prestige is at stake. But to the PRC players and coaches the game this week against Mississippi Delta is of utmost importance.

A loss this week would put the 1978 Wildcats in a category honored by only one other PRC football team in the history of the school. In 1966 the Cats posted a 0-10 record and is to date the only team to finish with a losing season.

J. C. Arban's gridiron gladiators this year, however, have the dubious distinction of being the second club to etch its losing mark in the Wildcat record book.

Southwest's Bears pushed the Cats farther into the corner this past week by handing the PRC team a 20-14 setback at Summit. The loss was the fifth in the last six games for the Wildcats and it enabled the Bears to change places with PRC for last place in the South Division race.

The once 3-0 Wildcats and a little later a 4-1 team, now have one last chance to stave off unwanted notoriety. The task will not be easy as the Cats' competition this last Saturday is Mississippi Delta, winners of the north division and the team that will go against Jones for the State Championship within two weeks.

Fumbles, interceptions, bad breaks and missed assignments can be blamed for the Wildcats mid-season decline. This past week Southwest used an 84 yard punt return and a blocked punt in the end zone for a touchdown to win.

This year's edition of the Cats have already rewritten a couple of pages in the record book. Last week they fell to the Co-Lin Wolves 45-7. That score was the most points ever tallied against a PRC football team and it was also the most points a PRC team has ever been beaten.

Other than 1966, no PRC team has ever lost more than three games in a row, of course that mark fell this year too.

Final Note — The Game Ended 7-7

Billy Holmes returned to the Pearl River College campus this year with intentions of turning the PRC basketball program around and making it respectable within two years. The PRC coach of 1972 and 1973 began in the spring of 1978 hunting a group of freshmen to add to returning sophomores. "My aim," Holmes said, "is to get experience this year and then make a lot of waves when the 79-80 season comes around." Well, things didn't work out just that way for Holmes and his Cats. Instead the freshman laiden Wildcats matured and developed into a title contender this year. At the end of the regular season, PRC was ranked number four in the south division and had beaten everyone in the conference except Gulf Coast and Utica, the top seeded teams. The four games lost to the Bulldogs and Gulf Coast by a total of eight points. That means a basket separated the Wildcats and a top division ranking. Sophomore Tim Green was the team's playmaker and sharp shooter, but Holmes depended heavily on freshmen. Eric Rogers, Henry Cavalier, Mike Francis, Troy Hall, Ron Brown, Jim Richardson, and Terrell Landry played terrific ball all season. Sophomores Carroll Gaddis, Kevin Stouder, Marty Lee and Morris Lott all pitched in to help establish a 13-11 overall record, an exact reversal from the 3-11 ledger posted a year earlier. When the south division tournament was held here at Valentines the outcome was indicative of the season. PRC opened with Jones and won in overtime 106-103 but the tide turned the next night with Utica knocking the Cats out of the finals by a close 72-70 count. Hinds beat Utica the next night for the title. A note of interest is the fact that the Wildcats had beaten the Eagles twice earlier in the year. So assumptions are that if the PRC group had made it to the finals past Utica they could have easily been the South's number one team. So the thoughts are now still running rampant . . . Wait until next year.

Coach Billy Holmes

Pearl River College's Lady Wildcats put together three separate seasons all rolled into one year. Before Christmas break the Fred Roane led 'She Cats' were 3-4. After the holiday vacation the PRC girls posted a 1-0 ledger before the flu bug took its toll. After that time the last season was all down hill. "I'm not making excuses, yet, I am," said Roane, who was recently selected to coach the South Mississippi Junior College All-Stars. "We had trials and tribulations all year." Roane did not expect to have the strongest team in the league at the beginning of the roundball season. But after things got started hopes of a good year picked up. The girls took wins over Delgado, Meridian and Utica while dropping close games to perennial powers Hinds, East Central and Gulf Coast. The first semester record was 3-4 and that's when the turn of bad luck took charge. Two starters for the Lady Wildcats did not return after the break. However, Mary Nell Taylor, a sharp shooter from Oak Grove, who sat out the first semester, returned. Playing now with 10 ladies, Roane's team took another decision over Utica to even the overall ledger at 4-4. But the Utica contest was the last time for 10 days the Pearl River girls were able to compete on the hardwood court. Six of the 10 'She Cats' were sent home with the flu, leaving the PRC coach only four physically able to challenge three conference opponents. "It was just no way possible for us to compete," Roane said, "so we had to forfeit the games." The PRC girls returned to action against Jones and did a very creditable job until the last five minutes of play. Two nights later the same thing happened at Park. PRC was in the contest until the final few minutes and the other team simply outmanned the still-weak 'She Cats.' "Shucks, these girls have been hustling all the time," the PRC coach said, "and we are a lot better than the overall record shows." Two more girls left the squad the last week, giving Roane eight players to work with during his first contest at division. The PRC girls leading scorers were Cynthia Beard with nearly 12 points per game and Patsy Sones pumping in 10 each contest. Mary Nell Taylor, since returning after Christmas, is averaging 17.5 points per game. The Pearl River girls lost at Decatur against Hinds.

$5000 Raised During Walk-A-Thon

Several band members stood atop the landing of Crosby Hall at 7:45 a.m. in 30 degree weather echoing the Olympic theme and signaling the beginning.

Jeff McElray symbolically lit the torch of freedom, actually Rhonda Regan's fire baton, and magestically descended the two flights of stairs.

As the procession moved on towards the administration building, it grew in number and spirit until nearly 100 people stood at the starting point.

As the drum-roll faded into the morning mist, so did the participants as they began the first of eleven laps in completing a 20 mile course.

Somehow from 7:45 a.m. until 5:15 p.m., over 160 men, women, children, and dogs completed that 20 mile grueling course in weather ranging from near freezing to that of a blustery autumn day.

Walkers on their first or second lap could be seen walking at a brisk pace around the campus with smiles on their faces and in a jovial mood while those on their ninth lap — some as early as their third — were soaked with sweat and limping. However, their mood had not changed.

Jeff McElray and Richard Foley were the first to complete the course in just under three hours and thirty minutes by running the entire distance.

From there they went on to spend the rest of the day riding the course in a pick-up shouting words of encouragement through a megaphone at the other walkers.

Lovers were seen strolling arm in arm while groups of laughing students followed intermittently along the course. David Earl Johnson's white bulldog, Brownie, loyally followed his master's brother, Joe, throughout the 11 lap trek with his thick, salivating tongue mirroring the fatigue of his more human companions.

Debbie White and Billy Reinhardt, photographers for the Dixie Drawl, walked over four miles of the course backwards and met a lot of people.

While suffering with severe stone bruises, D. R. Davis, marketing instructor, named every pine tree. The first one he named huff, the second puff, the third, huff — then huff, puff, huff, puff.

At the close of the day Davis and Randy Read, for whose daughter the Walk-A-Thon was sponsored, made the final lap and a very worthwhile event was successful.

Joe Johnson received first place for raising $379 and Linda Wilson won second by accumulating $268 worth of sponsor support. Marion and Lamar Hall placed first and second respectively in the dormitory division of the event with the Student Council and DECA claiming winning positions in campus organization competition.

Three other students, Greg Ledbetter, who raised $207.60, Jeff McElray, who sprinted the 20 miles in order to donate $254, and Cindy Rester, who gained $232.50 in support for her effort, were given special appreciation awards.

Three faculty members completed the 20 mile course — they were D. R. Davis, marketing instructor; Larry Adams, vo-tech instructor; and Dorothy Carter, English instructor.

Becky Askew Began Registration For Walk-A-Thon At 7:45 A.M.
